

# CAMPUS LIFE

Monroe University strongly encourages students to extend their learning experience beyond the classroom and offers a comprehensive co-curricular and extracurricular student life program for both commuting and residential students.

## Athletics

Monroe University offers a comprehensive intercollegiate athletics program and encourages students to be involved as competitors, fans, and spectators. Monroe University is a member and participates in Region XV of the National Junior College Athletics Association (NJCAA).

## Residence Life

Monroe University offers convenient, comfortable, and affordable campus housing on the New Rochelle campus. All housing units are located in the heart of New Rochelle within walking distance

to classrooms. Buildings are monitored by security and each has residential staff available 24 hours a day. Visit Residence Life (<https://www.monroecollege.edu/student-life/new-rochelle-ny-campus/residence-life/>) for more information.

## Student Life and Activities

By participating in campus clubs, students seek to balance the scales between their academic requirements and their social development. To enhance this experience Monroe University clubs are committed to embracing specific core objectives that will generate outcomes consistent with those of the University. Beyond providing a fun and engaging atmosphere, Student Life's intent is to help students develop a foundation that will allow them to constructively address the challenges they face on a daily basis, as well as develop themselves intellectually, professionally, and socially. Visit Student Life (<https://www.monroecollege.edu/student-life/>) and Student Events (<https://www.monroecollege.edu/info/current-student-events/>) for more information.
