

# PARALEGAL MINOR

---

## Paralegal Studies Minor

The Paralegal Studies minor prepares students for meaningful careers in law-related disciplines. Students are offered a comprehensive and rigorous curriculum based on the fundamentals of the law, especially as it relates to contemporary issues. Through the practical and theoretical study of law, students will develop the essential legal writing, oral and legal research skills necessary to become knowledgeable and skillful legal assistants and paralegals. Students will be trained in legal research databases and will be prepared to work in the areas of business law, family law, personal injury law, criminal law, property law and more. The Paralegal Studies minor requires successful completion of 30 credits in paralegal and criminal justice-related courses.

*Best Fit Major: Criminal Justice*
